

INSURANCES WE PARTICIPATE IN

We are pleased to participate with the following insurance companies as a contracted provider. These companies have proven to be fair in the negotiating process and have, since then, shown themselves to conduct business with integrity.

*Aetna
Anthem Blue Cross/Blue Shield
Emerald HealthCare
Medicare
Traditional Ohio Medicaid
Ohio Health Choice
Medical Mutual
United HealthCare
Direct Care America
Flora Midwest*

If you do not see your insurance company listed above, it does not necessarily mean we cannot see you, but merely they will pay at a different fee schedule. We have attempted to negotiate with almost all insurances in North Central Ohio. Some are unreasonable in their expectations of what the physicians should be willing to accept, thus making it impossible to participate with them.

It is YOUR responsibility to know your benefits.

MISSION STATEMENT

Our Mission:

- Understanding the medical profession is a crucial service to persons in need of important personal care and, in most cases, that need can cause a crisis in the patient's life, we pledge to provide the highest quality medical and personal service possible to those patients choosing our service.
- Understanding that the importance of a kind word, a soft human touch, and the warmth of laughter is often as critical to our patient's well being as modern medical technology, we pledge to place the patient in the forefront of importance during our daily contact with those patients entrusting to us their care.
- Understanding that patients often come to us to discuss personal and worrisome medical problems, we pledge to continually respect the dignity and confidentiality of each patient, placing in us their confidence.
- Understanding that individually we cannot achieve these goals and level of service to our patients, we pledge to work as team members, each drawing on the others' strengths, in order to perpetually provide excellence in medical service for the well being of our patients.

OUR PROVIDERS

Steve Gardilcic, M.D.

Dr. Gardilcic is the founding physician of Urology Associates. He came to Mansfield in 1991 and has been practicing here since then.

Dr. Gardilcic has a special interest in difficult urinary incontinence cases and offers advanced diagnostic services and care, both surgical and medical, for this bothersome problem. He also has received specialized training in treating kidney and prostate cancers with the latest surgical options including cryotherapy and laparoscopic procedures.

Along with the above, he also has great interest and is skilled in treating patients with urologic cancers, male infertility, vasectomies, reversal of vasectomies, complicated kidney stone cases, penile implants for impotence and many other urologic problems or disease.

He has a broad spectrum of knowledge and skill and offers an all-inclusive range of services to patients needing a urology physician.

His credentials include:

- **MEDICAL SCHOOL:** University of Zagreb Medical School, Yugoslavia—1977
- **SPECIALTY TRAINING:** Wayne State University, Detroit, MI—1991 (Urology), Mt. Sinai Medical Center, New York, NY, - 1989 (Urology), University of Mainz, West Germany—1985 (General Surgery)

Marjorie Jasinski, NP-C, RNFA

We are thrilled to welcome Margie Jasinski, a Nurse Practitioner to complement our roster of very talented providers. Margie worked with Dr. Gardilcic in surgery at MedCentral for many years as an RN, and a First Assistant. She was the urology nurse clinician. While working in the operating room, she pursued her Masters in Nursing and was Certified as a Nurse Practitioner, with special training in surgery and women's health, in the summer of 2007. Margie is a skilled surgical first assistant and will be utilizing this talent in the operating room by being available to Dr. Gardilcic as a surgical assistant. They will team up to diagnose and manage the full spectrum of urological problems, including female urinary incontinence, recurrent urinary tract infections, kidney stones, urologic cancers, and benign prostate hypertrophy. Margie's credentials include:

- Mansfield Hospital School of Nursing 1993
- Ashland University BSN 2003
- Otterbein College MSN, NP 2007
- Certified by the American Academy of Nurse Practitioners 2007

Our staff includes highly trained individuals in the medicine of urology, that are here to serve our patients and meet your needs. If you find that someone has been extremely helpful, please let us know. Likewise, if you find that someone was unkind or did not meet your expectations, please let us know that, also. All of our staff participates in continuing education as it pertains to their job. From the person who makes your appointment, to the person who greets you, to the physician and staff who take care of you while you're here, to the billing staff, we want to give you a positive experience. Please let us know if we did not meet your expectation.
